Sweden

Germany

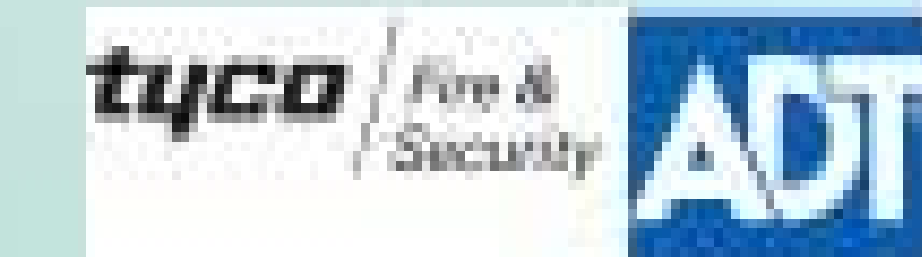

Germany

Germany

Switzerland

United Kingdom

France

Honeywell

Belgium

SIEMENS

Switzerland

11 industry members from 7 countries with 17 memberships in the two Euralarm sections

Industry Members

Fire Section

- Autronica
- Bosch Security Systems
- Chubb - UTC
- GE Security
- Hekatron
- Honeywell Life Safety
- Siemens Building Technologies
- STG - Beikirch
- Tyco Fire & Security

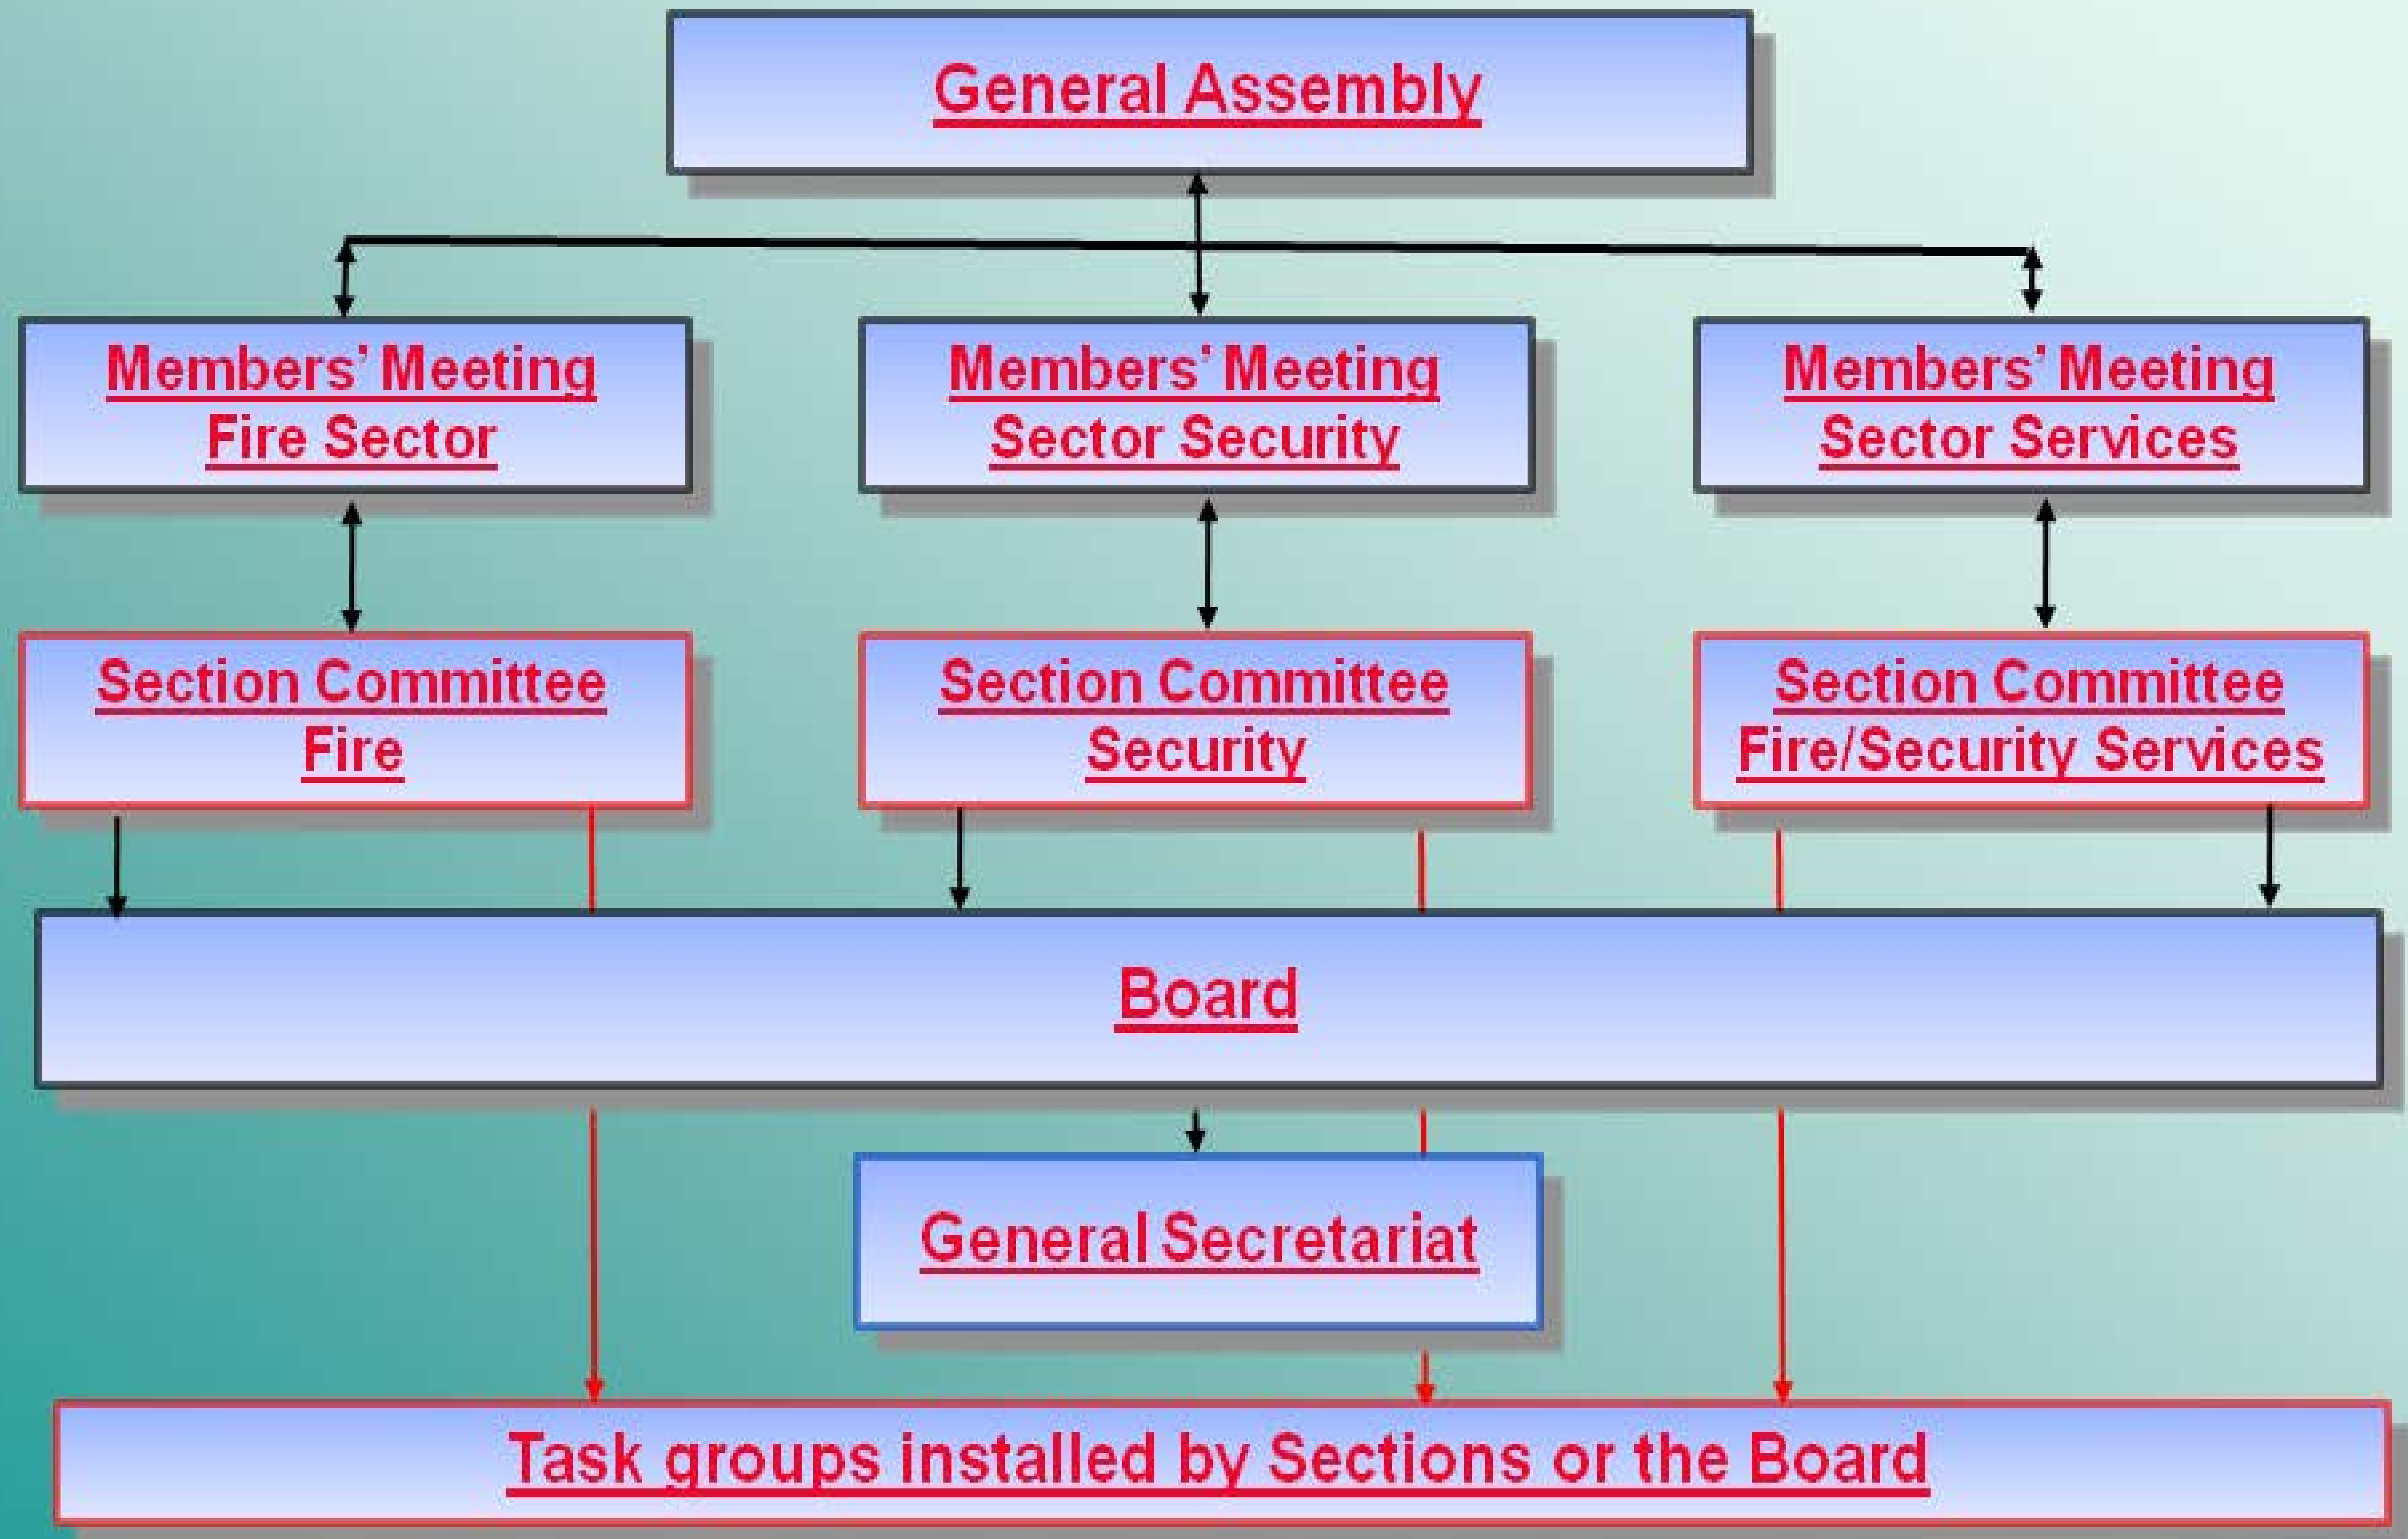

Security Section

- Bosch Security Systems
- GE Security
- Honeywell Security
- Niscayah Group
- Securiton
- Siemens Building Technologies
- Tyco Fire & Security

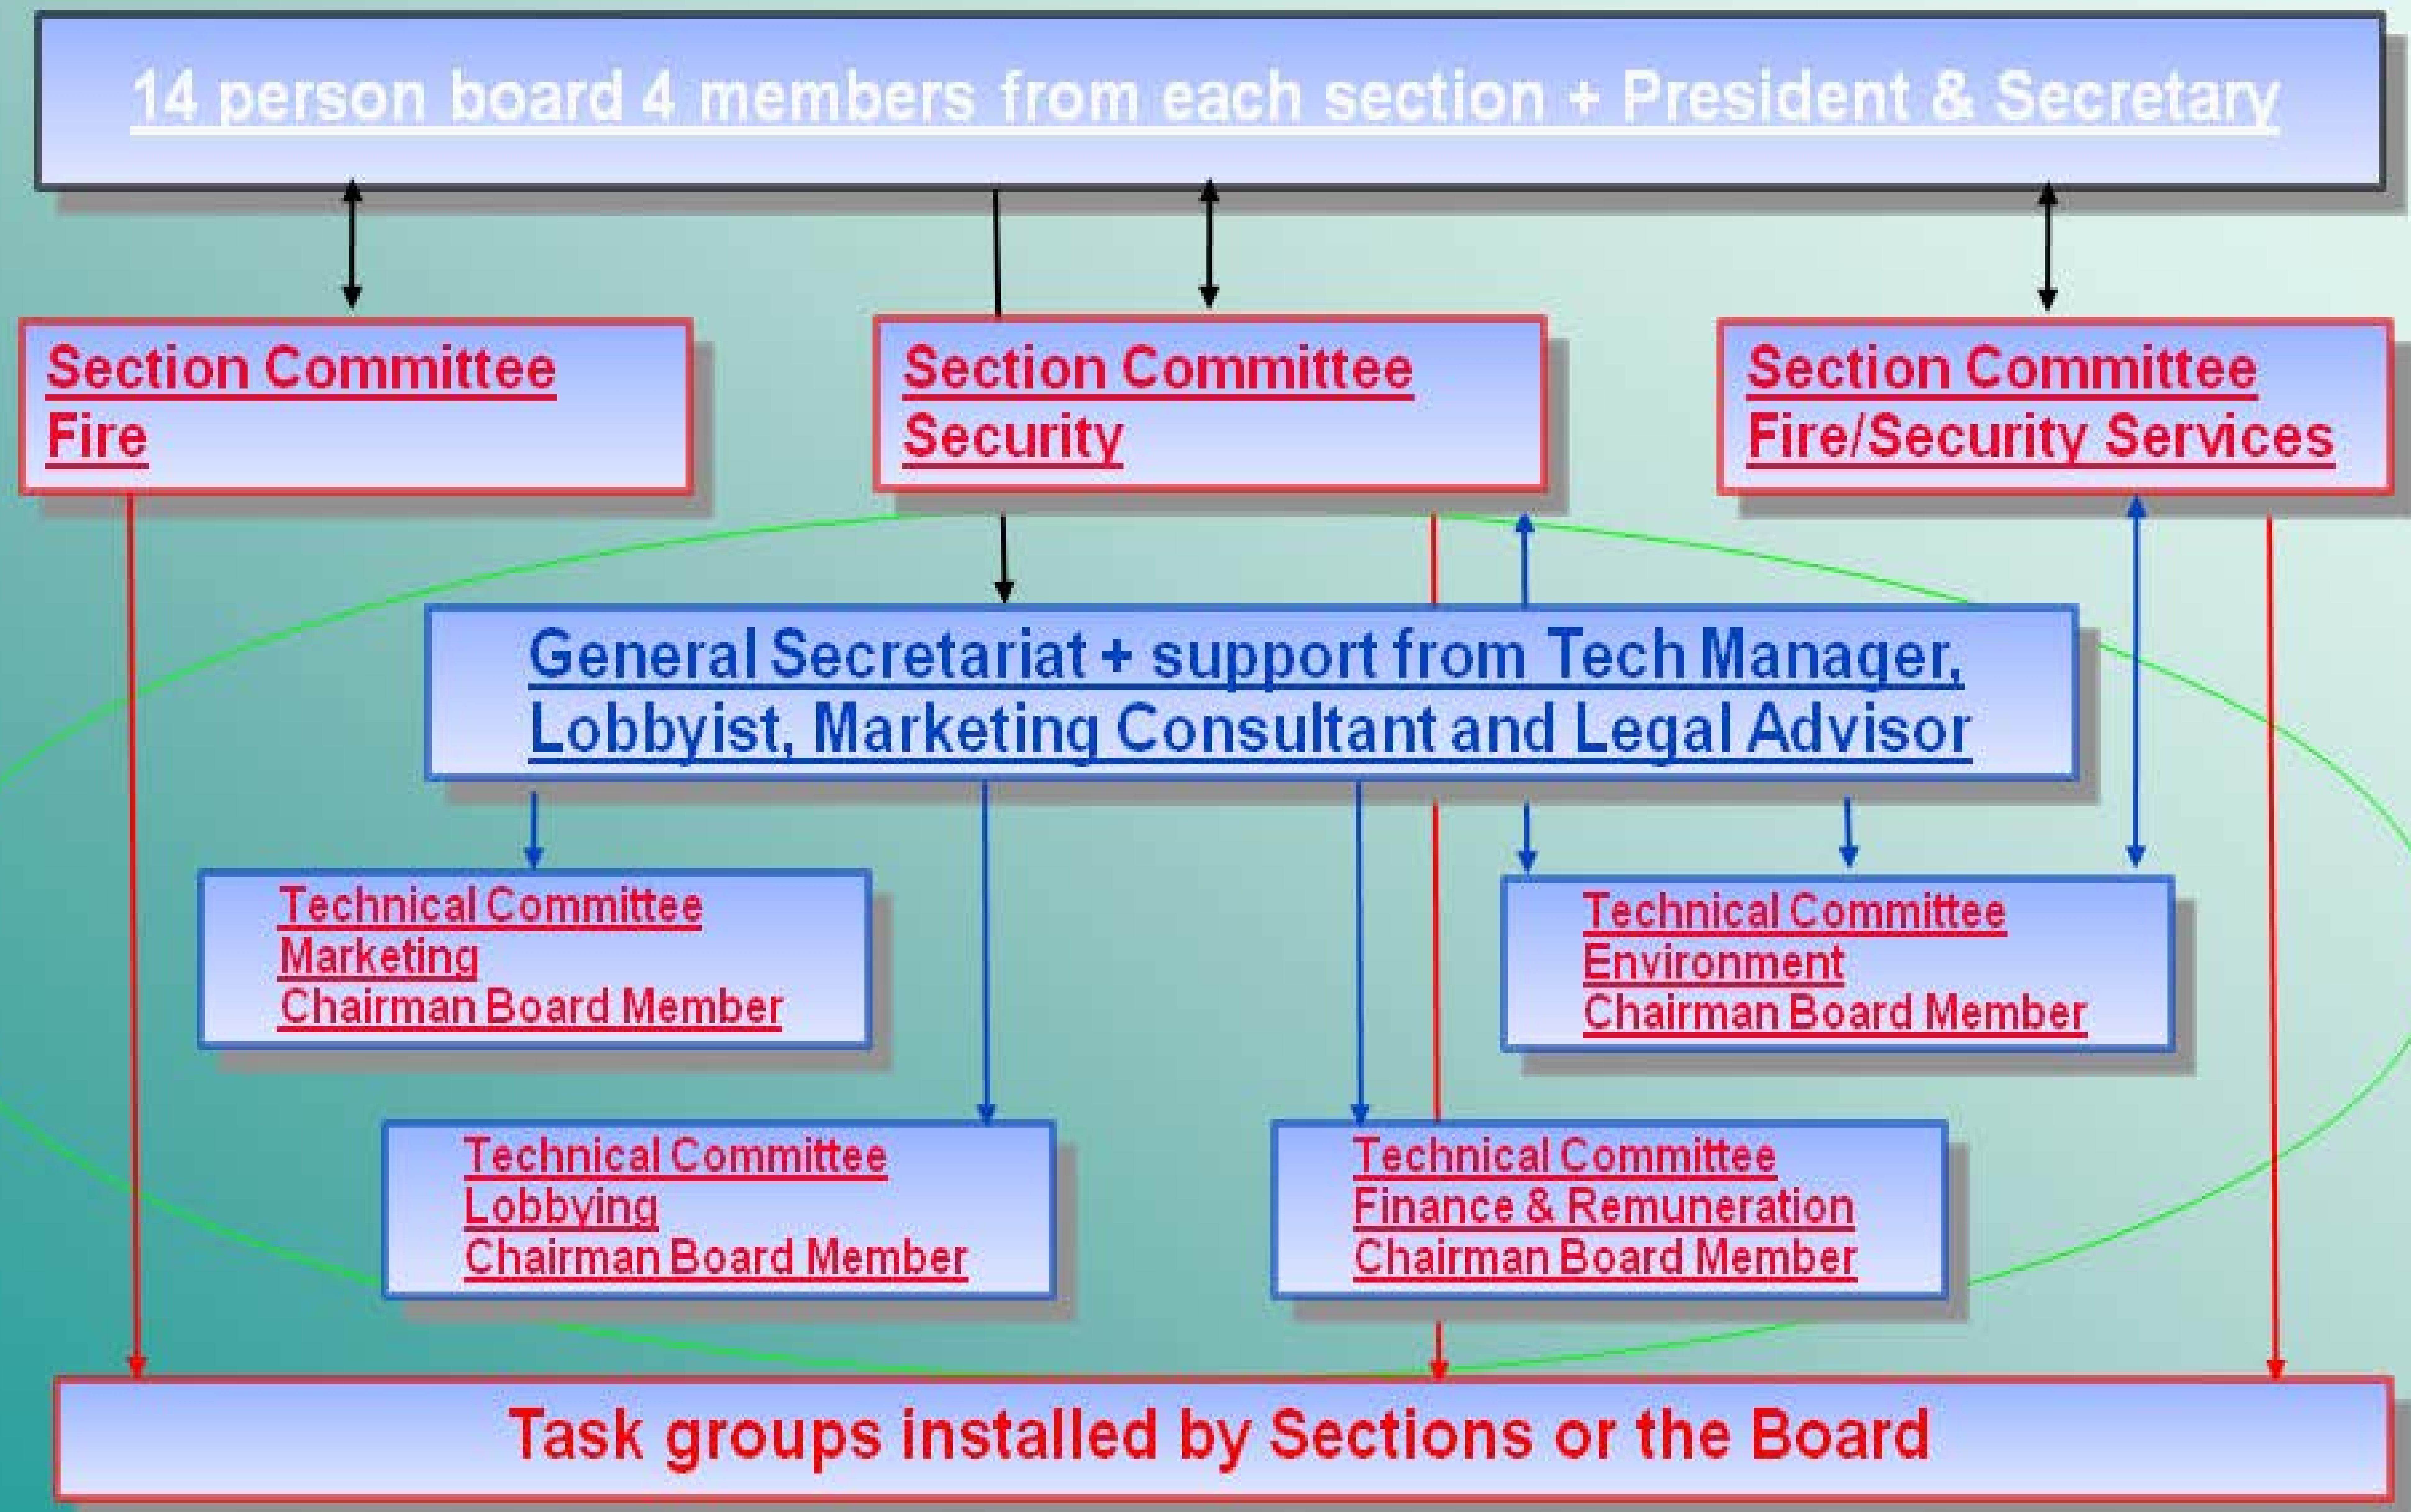

Service Section

- Bosch Security Systems
- Chubb - UTC
- Niscayah Group
- Siemens Building Technologies
- Tyco Fire & Security

Legal Organisation

Organisation (operational)

Our Motto

Representing the Wider World of Fire and Security

Life Safety & Protection is a Permanent and Elementary Human Need!

Provide High Quality Products, Systems and Services to the market supported by:

- A single transportable and voluntary Quality Mark (EQM - > CERTALARM)
- A single high quality audit to ISO 9000
- Elimination of technical trade barriers
- Promotion of a single and consistent message for the high quality of CERTALARM certified products and systems in and outside Europe

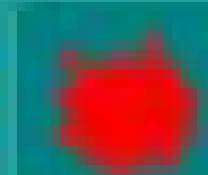

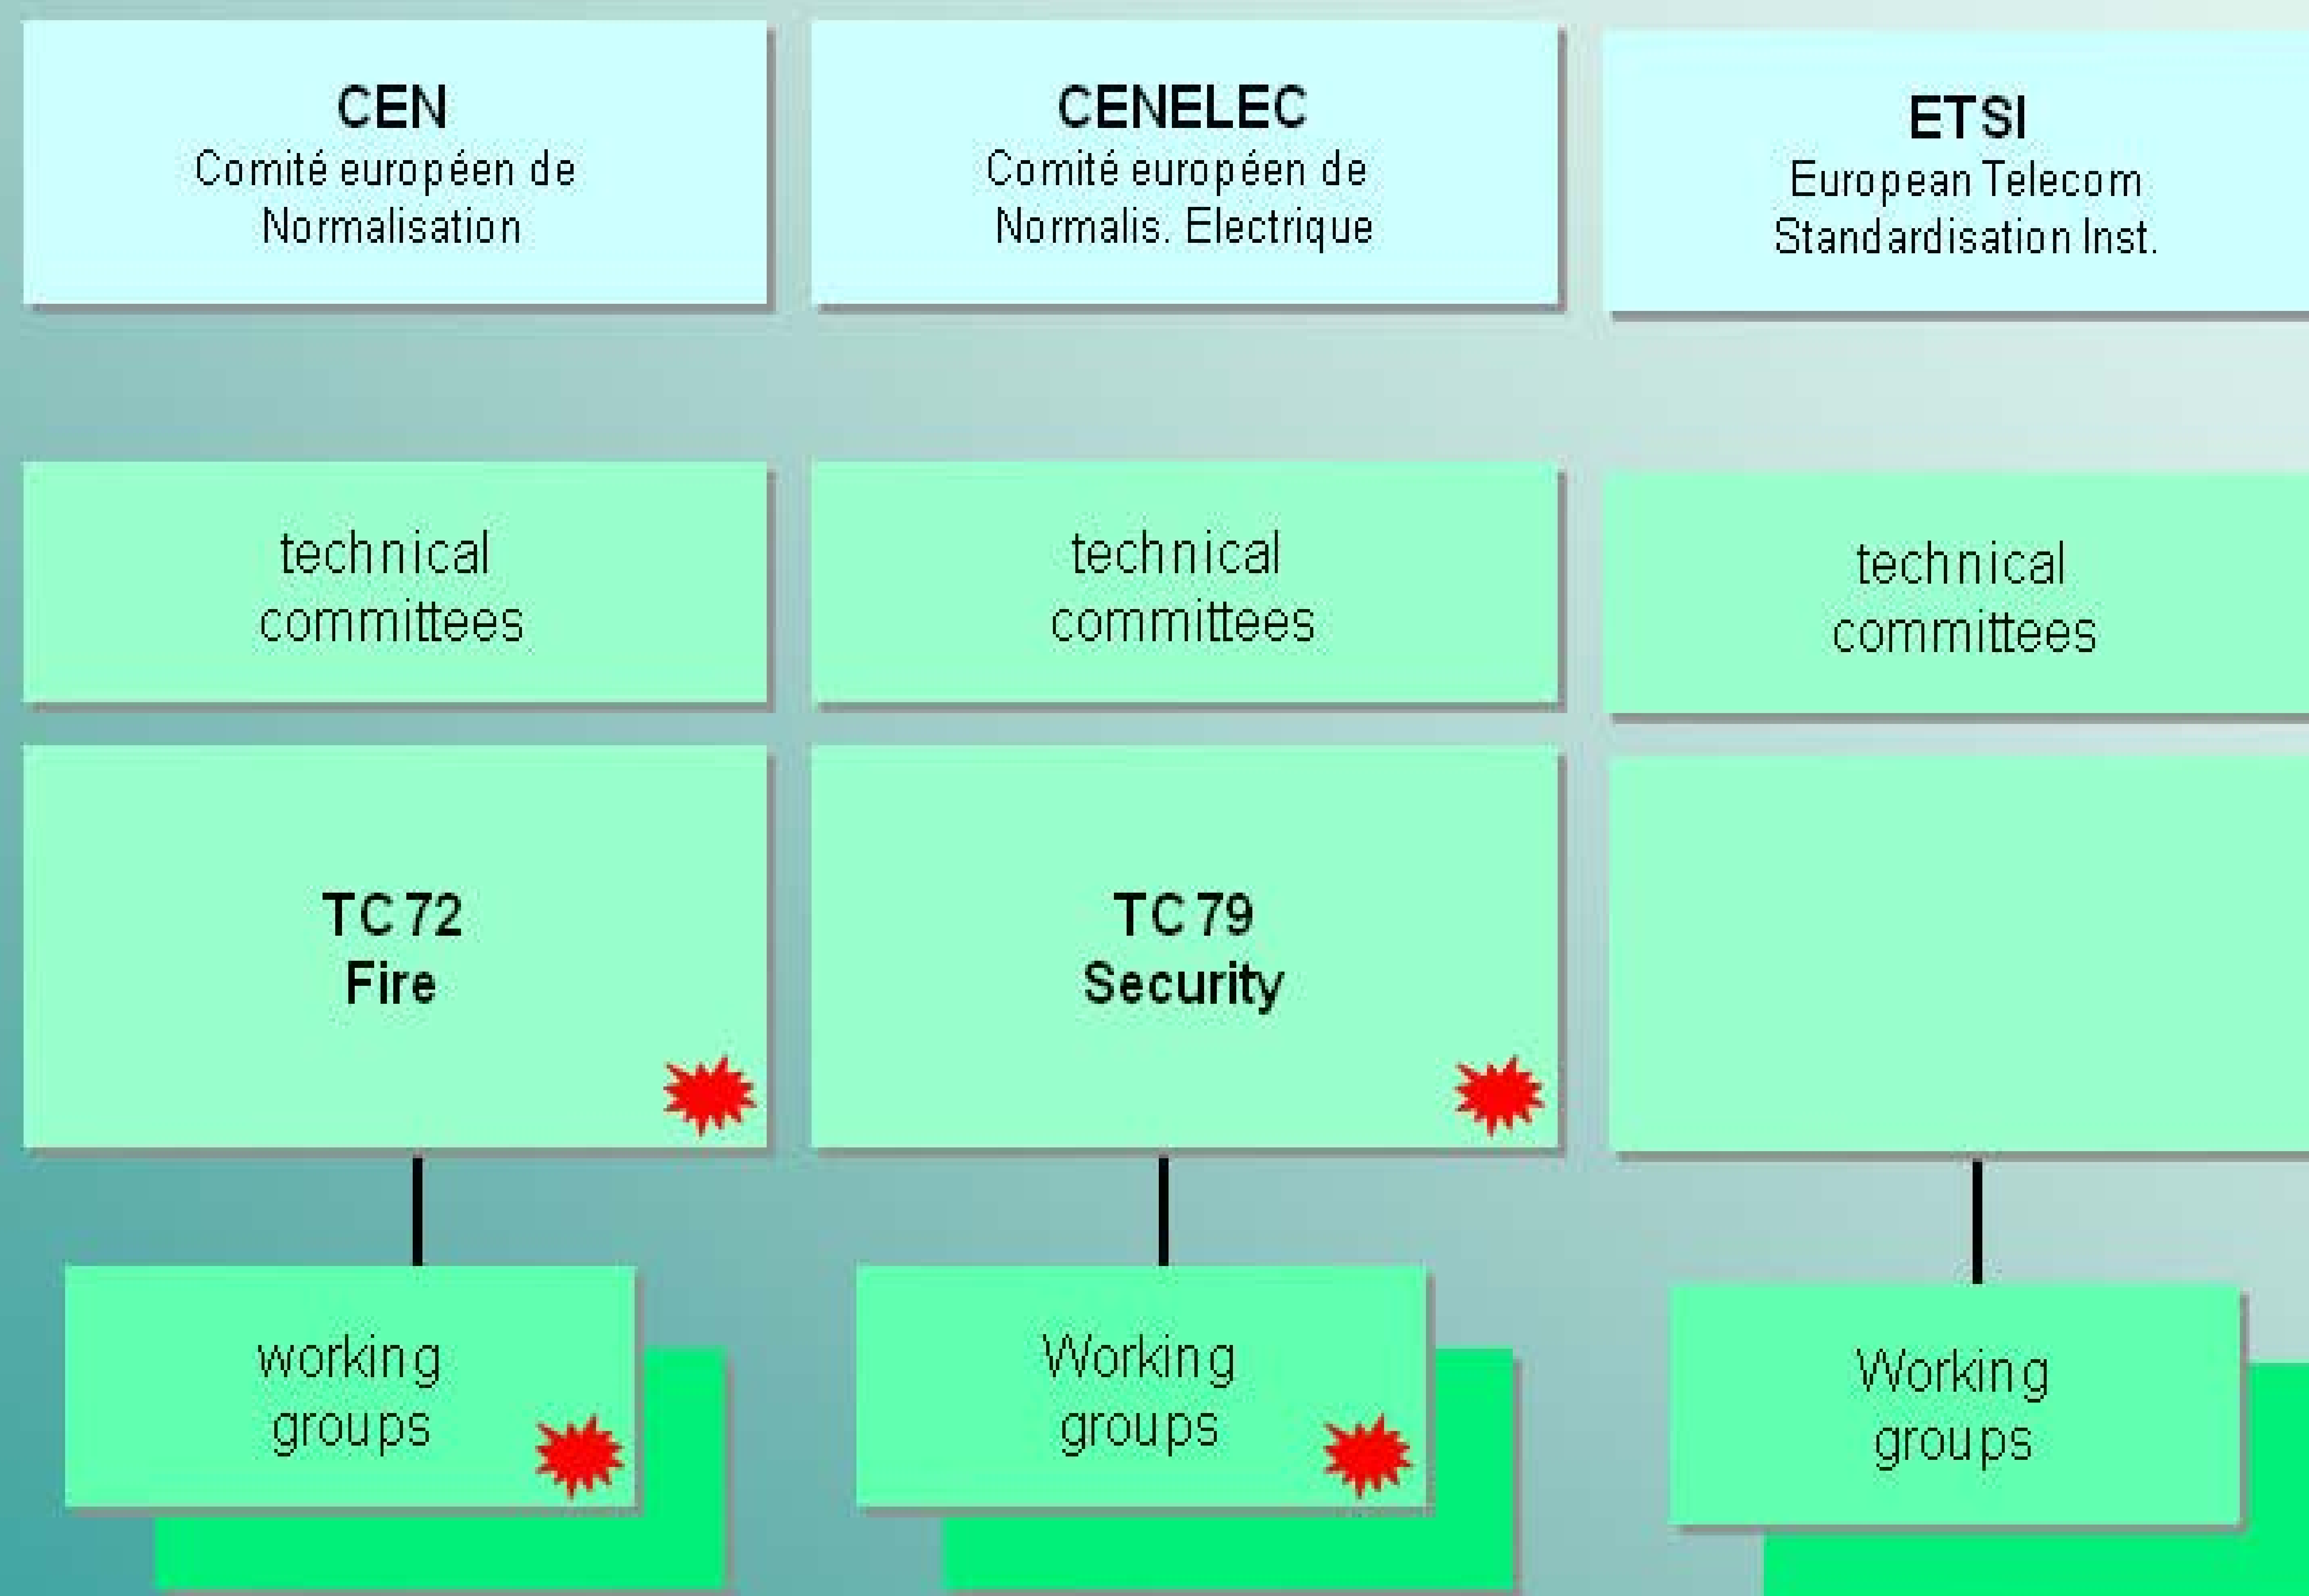

Promote a consistent set of European standards:

- Active contribution in standardisation committees
 - CEN TC72
 - CEN TC 191
 - CENELEC TC 79
 - ETSI
 -

Our Network

Standardization

Euralarm Active Support by Observer and members company/associations experts

Work to the needs of the Euralarm members:

- Write position papers to relevant standards, EU directives, technical and market developments
- Network member activities and best practices

Maintain an effective communication and lobbying service in the European Union and relevant trade organizations:

- Work through our Lobby manager in Brussels
- Liaise with EUROFEU, EUROSAFE, ARGE, CEN, CENELEC

Our Network
